

# DOVETAIL JIG PACKAGES FROM GIFKINS DOVETAIL

These packages are only available from Gifkins Dovetail (Australia), and are not available from our agents in the UK and the USA.

## STANDARD PACKAGE

Gifkins Dovetail Jig with any one template plus cutters to suit.

“The Standard Package includes all you need to get started in dovetailing.” The popular choice is the A10 template, which is ideal for jewellery boxes, trinket boxes, small drawers etc. To get the most from the jig add a Bessey clamp and the clamp holders to this package for quick and easy clamping.

## DELUXE PACKAGE

Gifkins Dovetail Jig with any two templates plus cutters to suit.

The popular choice is the A10 and B10 templates. “A good starting point for the more adventurous woodworker, covering work at both a small and large scale.” If you only do small work, choose the A10 and F5 templates for dovetail and finger joints. To get the most from the jig add a Bessey clamp and the clamp holders to this package for quick and easy clamping.

## MASTERS PACKAGE

Gifkins Dovetail Jig with any three templates plus cutters to suit.

“This package is recommended for the more serious woodworker, offering increased options.” For dovetailing only, choose the A10, B10 & H10 templates. For small work only, choose the A10, H10 & F5 templates. Add two Bessey clamps and the clamp holders to this package for quick and easy clamping.

## PREMIUM PACKAGE

Gifkins Dovetail Jig with any four templates plus cutters to suit.

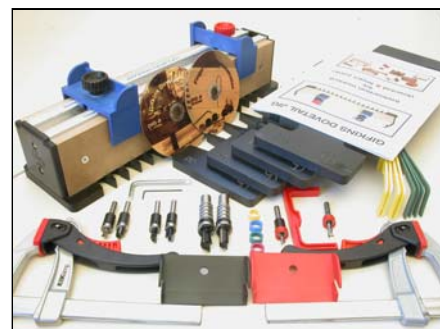

“This package offers excellent value to the woodworker wanting to expand their horizons even more”. It includes 4 of our 5 template profiles. The recommended choice is with the A10, B10, H10 & F5 templates. To get the most from the jig add two Bessey clamps and the clamp holders to this package for quick and easy clamping.

## “THE LOT” PACKAGE

Gifkins Dovetail Jig with all five templates plus cutters to suit.

What a great deal this package is!” For the woodworker that wants all the options, it includes all 5 templates – 3 for dovetailing and 2 for finger joints. “The Lot” package now includes two Bessey clamps with the clamp holders, as well as both demo DVDs and the variable space upgrade, all as standard options in this package.

NOTES: Package contents may vary from those shown above, depending on your choice of templates.  
“You can mix and match any of the templates in any of the bigger packages”.
